

WEEK 4 – DOM & VERSIONING

DIPAPARKAN OLEH MAULANA RHEZA ARDIANSYAH

APA ITU DOM?

Dengan DOM kita bisa
melakukan.....

HTML DOM

..akses, merubah,
menambahkan, ataupun
menghapus komponen /
element yang ada di HTML.

HTML DOM

The background is a solid dark blue color. It is decorated with several organic, flowing shapes in a lighter teal or cyan color. These shapes are scattered across the frame, with some appearing as large, soft-edged blobs and others as smaller, more defined circles or teardrop-like forms. The overall aesthetic is modern and minimalist.

LET'S MOVE ON..
